Sunset Farm Equestrian Center - Trail Access Map

(Not to scale!)

Main field is closed to horses for the wet season (people and dogs are OK). Field closure is necessary to preserve the turf footing. Please follow the gravel road from the parking area down past the round corral to the south side of the paddocks to access the trail system via Trailhead No. 1, located just west of the two ditches. Please note that Trailhead 2 and 3 are also closed for the wet season. Thank you for helping to preserve the field so everyone can enjoy it next summer!
